

Grid Authentication - Step by step guide

Step1: Login into <https://1mid.myeg.com.my/1MID/login.do>

The screenshot shows the '1MID Login' page of the MyEG website. The header includes the MyEG logo, the text 'Welcome to MyEG Services', and navigation links for Home, eServices, Contact Us, and FAQ. The date and time are shown as Sunday, 30 November 2014 04:44 PM, with language options for English and Bahasa Melayu. The main content area features a '1MID Login' section with two input fields: '1MID : ' and 'Password : '. Below these fields are three buttons: 'LOGIN', 'Forgot Password', and '1MID Registration'.

Step 2:

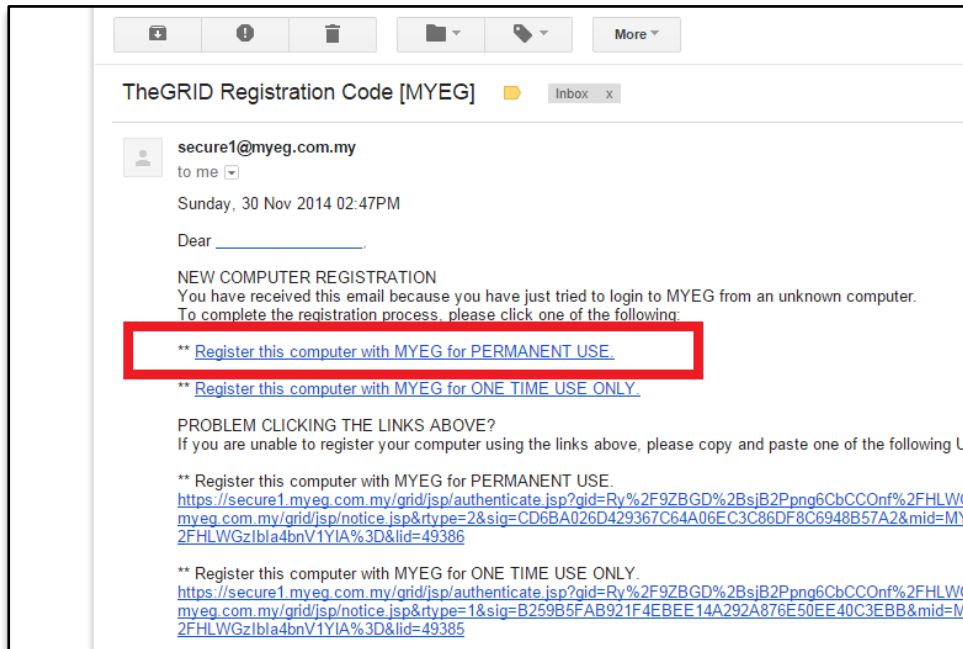

- You will get a message notifying you to check your email to activate your browser.
- Go to your email to activate link (Step 3).

The screenshot shows the 'Action Status' page of the MyEG website. The header includes the MyEG logo and the text 'MyEG Secure Server'. The main content area features a 'NOTE :' box with the following text: 'Your browser has not been registered yet. Please check your email to activate your browser. Please ensure you clicked the browser activation link in the same browser you are transacting.' Below the note box is a 'Login to 1MID' button.

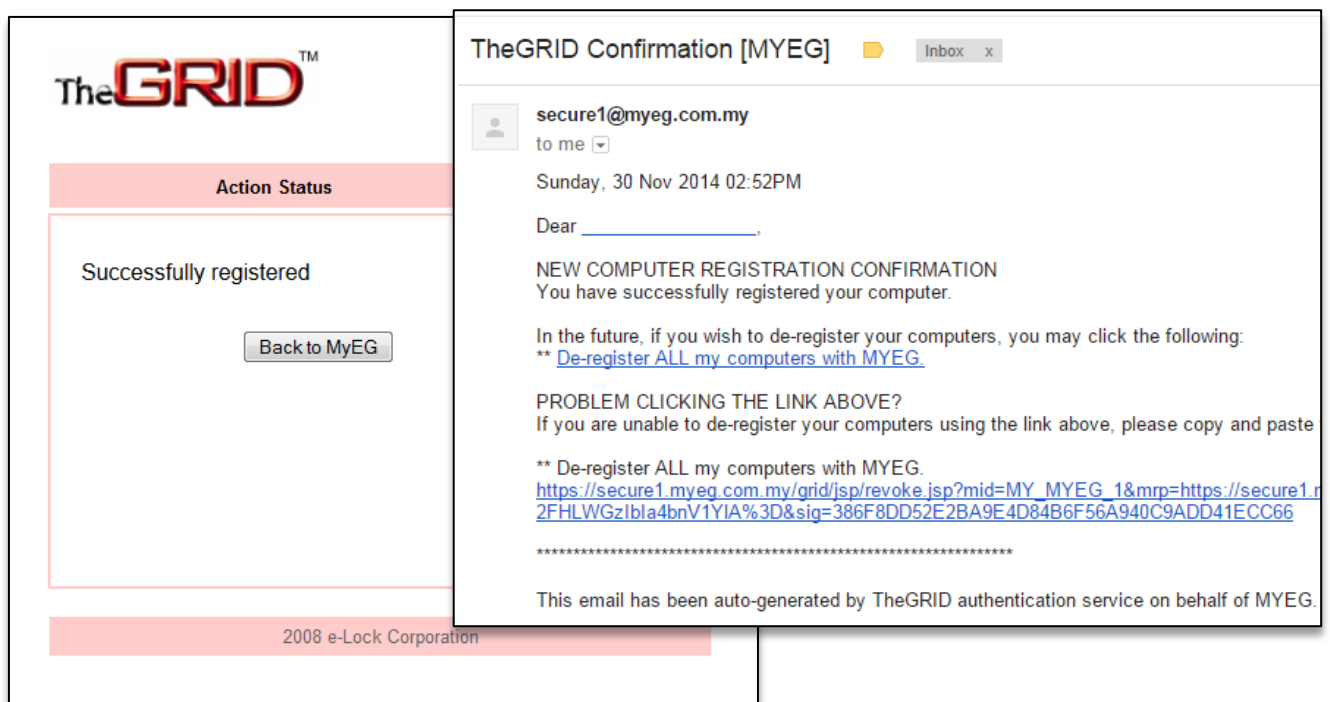

Step 3:

- The device activation link has been sent to your email.
- Register your computer by clicking the link for PERMANENT USE or ONE TIME USE ONLY (We recommend that you choose PERMANENT USE so that you don't need to do this each time you login)

Step 4:

- You have now successfully registered your device.
- Click on the 'Back to MyEG' button and you will be redirected to 1MID login page.
- You will also receive a confirmation email once the browser is successfully registered.

Step 5:

You may now key in your username and password to login into 1MID.
